The working loco chassis are no longer available from Mike Chinery Engineering.
We are actively seeking another builder, so if you want a ready-to-run chassis please contact us for up to date information on the supply situation.

Any of the white metal kit parts are available separately for scratch buiding purposes.
Price on application.

Members of the 5.5mm Association may deduct 10% from the value of their orders.

Post and packing up to £5.00 - £1.00

up to £10 - £2.35

up to £20 - £3.00

up to £30 - £4.00

Over £40 at cost. Price will vary depending on weight and whether insurance is required.
